Any email correspondence should be to both the Returning Officer and the ASA General Manager.

7. Candidates are responsible for all aspects of their campaign

Each candidate is directly responsible for any actions or material involved in the running of their campaign.

8. Campaign spending Limit

Personal Campaign spending shall be limited to an amount set by the ASA Executive Committee prior to the nomination period for an Election. This limit will include reference to the total amount of money (including donations, contra, volunteers, and sponsorship) that each candidate (or collective of candidates) is allowed to collect and use over the entire period of campaigning for each position they run for.

9. Campaigning

Candidates may not start their campaigning until after attending the Candidates' Campaign Briefing Meeting and reading and signing the Campaign Code of Conduct form and handing this document in to the Association's Office at Student Central.

Campaign Income and Expenditure

Each candidate (or collective of candidates for one position) is to provide a budget and receipts for all expenditure relating to their campaign to the Returning Officer.

Candidate budgets are to be provided prior to the first day of polling, and failure to provide this information is grounds for disqualification.

Promotional Material

Candidates are responsible for making available to the Returning Officer a list that details what sort of promotion they intend to undertake, where they intend to post material, and how much material is in any location. This must be made available to the Returning Officer within two (2) clear days of the Campaign Briefing Meeting.

They are responsible for notifying the Returning Officer in writing within two (2) clear days of the last day of the election that, to the best of their knowledge, all personal campaign material has been removed.

12. Behaviour at Polling Stations

Candidates may display promotional material but may not actively communicate with voters to influence the vote

13. Breaches of Policy leading to Disqualification

Non-observance of this policy is grounds for disqualification.

Candidates must attend the pre-campaign meeting or make a time to meet with the Returning Officer to go over the code of conduct requirements. The attendance and compliance will be noted by the Returning Officer by his or her notarising this form. Non-attendance is grounds for immediate disqualification.

Each Candidate must attend the entire Part One of an Albany Student Executive Committee Meeting (Section 2, Schedule 7, Elections, ASA Constitution and Regulations) before the end of the campaign period. Candidates will be informed of when these meetings occur, so that they are aware of when and where the meeting is scheduled. Non-attendance is grounds for immediate disqualification.

Candidates are advised that the following actions will not be tolerated and will deem to have been committed when a candidate directly or indirectly, by himself or herself, or by any other person/s on his/her behalf:
